Vision of PEN

- We will
 - Serve
 - Help
 - Improve educational environment
 - Until they are able to support themselves
 - With love of God

The main program of PEN

- SCDP (School Children Development Program) : concentration program of PEN
- Mother class
- Village library and Tele-center support
- Volunteer team join
- Children song making and spread and children song competition
- Hostel project

SCDP

- School consultant & teachers training
- Support school facilities
 - Toilet, books for library, playing facilities, computer room, teaching tools ,health check.
- 1:1 join Scholarship program
- 1:1 Join program (any school, company, organization with Nepal local school)

Mothers class & Library, Tele-center support

- Mothers class
Night class for uneducated people in village area
- Village library and Tele-center (computer and internet support) program

Volunteer team join

- We join volunteer team with Nepali school or organization
- Support the process for safety and efficiency of volunteer activities
- Currently cooperating with Daegu University and FHI (Food for the Hungry International), IVCI Korea

Children song spread

- Now one CD was finished.
- Sent at ministry of education & culture
- In future, a plan about children song sing competition

Hostel project

- Caring and training for Poor student
- Focus on mind sector and health
- To grow as a leader of district
